As of May 11th, 2021, within Dunn County 14,061 residents have completed their vaccine series; this is 31% of the population. Another 16,087 residents have received at least one dose of the vaccine series; this is 35.5% of the population. To reach herd immunity, 75% to 85% of Dunn County residents must complete the vaccine the series.

With this data in mind, the Dunn County Health Department is recommending gatherings be limited to 50 individuals indoors and 100 individuals outdoors. Gatherings should still encourage social distancing and be prepared to notify all attendees of a potential exposure if an attendee tests positive for COVID-19.

Continue to use these mitigation strategies, along with getting vaccinated:

- Wear a mask when in public spaces.
- Keep physical distance of 6 feet between you and others.
- Wash your hands often with warm soapy water.
- If you're sick, stay home.
- Avoid crowds and poorly ventilated indoor spaces.

The Dunn County Health Department is encouraging those with questions to look at the information on this [website](#). If you still have questions after reviewing the information provided, feel free to call one of the following numbers.
