

"Dedicated to preparing ALL students to become lifelong learners, caring individuals, and responsible citizens."

April Highlight on Youth

Menomonie High School

- Indoor Boys and Girls Track and Field has been competing and performing well at recent events.
- The National Honor Society Executive Committee welcomed and honored the 2024 inductees at a recent ceremony.
- The MHS Forensics Team will be competing at the state competition later in April.
- Senior Madison Kwak was a Herb Kohl Scholarship recipient.

Menomonie Middle School

Our 8th grade students presented their History Day projects at UW Eau Claire.

8th grade science students presented at the Red Cedar Watershed Conference held at UW Stout and also presented to Rotary Club.

6th grade students took their annual field trip to orchestra hall and the Minneapolis Institute of Arts.

Downsville Elementary School

- Students that were caught using kind words throughout the week, received recognition on Fridays during the month of March.

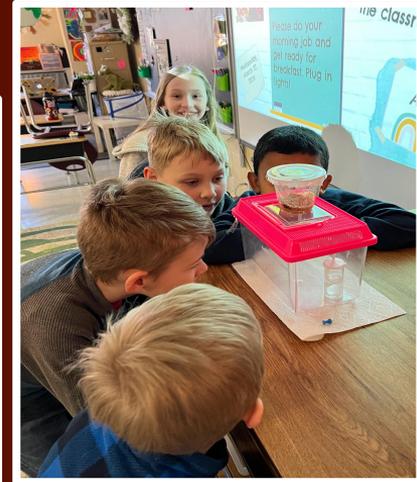

Knapp Elementary School

- Our 3rd Graders hosted a Geography Fair. Students shared information about popular clothing, food, and other interesting facts from their selected country.
- Students began the gymnastics unit during PE class.

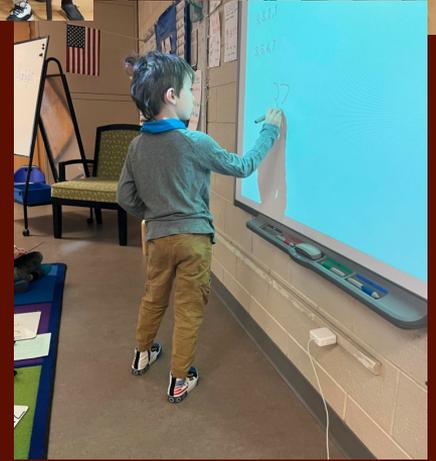

Oaklawn Elementary School

- The Fourth and Fifth grade concert was a huge success complete with ukuleles, boomwhackers, and a black light illuminated final song.
- Many classes have living organisms in Science class this month.
- First graders reading to the Principal on Thursdays.

River Heights Elementary School

- 4th and 5th grade students performed 1950s-themed music at their concert.
- 1st grade students have planted seeds in science class, and are eagerly awaiting their sprouting plants.
- Students continue to focus and work hard on academics!

Wakanda Elementary School

- The March snowfall finally offered our 4K students the eagerly anticipated opportunity for snow play.
- A number of our fifth-grade students have been delighted to receive correspondence from the Frank Lloyd Wright buildings they've been studying.
- Our donation drive for Stepping Stones surpassed all expectations, gathering over 900 lbs. of items for families in need. As an incentive, students got to vote to "pie" teacher volunteers as a fun reward for their efforts. Our top three were great sports!
