

Insert Department Program Review Report

During the **Insert School Year** school year, **Insert Department** staff conducted a review of the existing **Insert Department** program within the SDMA. As part of this process staff reviewed existing program offerings, schedules, curriculum maps, and the updated **Link in Standards Document**. SDMA **Insert Department** staff have worked with the SDMA office of Curriculum and Instruction to identify the following strengths, Opportunities, and Next Steps for the SDMA **Insert Department**.

Strengths (and what evidence to support)

- List at least 3 to 5 Strengths as a bulleted list
-

Opportunities - Areas for Improvement or Growth

- List at least 3 to 5 Areas for Improvement or Growth as a bulleted list
-

Next Steps - Goals - To be completed ahead of the next **Insert Department** Program Review

- Goal 1 - List goal here (with school year for completion/focus)
 - List sub goals/action steps that will lead to attainment of overall goal here as a bulleted list
- Goal 2 - List goal here (with school year for completion/focus)
 - List sub goals/action steps that will lead to attainment of overall goal here as a bulleted list
- Goal 3 - List goal here (with school year for completion/focus)
 - List sub goals/action steps that will lead to attainment of overall goal here as a bulleted list
- Goal 4 Update Curriculum Maps (As Needed) - List goal here (with school year for completion/focus)
 - List sub goals/action steps that will lead to attainment of overall goal here as a bulleted list
