MATTHEW RILEY

Director of Activities & Community Ed.

July 17, 2025

Dear Menomonie School Board,

Please find attached the application for the E-Sports Club, which has requested official recognition as part of Menomonie High School Activities. The club will be granted a one-year probationary status for the 2025-26 school year. During this period, the club will operate independently of district funding. At the end of the school year, the club's continuation will be reviewed based on student interest and overall viability. Starting in the second year, an application will be required only if the club seeks district financial support.

Based on the submitted application and demonstrated efforts to establish the club, I recommend approval for the formation of the E-Sports Club for the 2025-26 school year. I respectfully request confirmation from the School Board to recognize E-Sports as an official student organization at Menomonie High School.

Sincerely,

Matt Riley

Activities Director
