

MMS Character Dare Kickoff

Blue: Mark
Green: Mykayla
Silver: Ellyssa
Gold: Nancy
Maroon: Bart
White: Katie

To kick off our school year, we are DARING you (students) to do something every day that represents the core values of our school: Responsibility, Respect, Enthusiasm, Safety, Empathy and Pride.

You will see posters in your classrooms and around the school with Character Dares on them. Each Dare is an idea for a way you can put one of our Core Values in action and make our school an awesome place for everyone.

When you do one of the Dares, you will fill out a slip with your CARES teacher and drop it in their collection box. Throughout next week, we will keep track of how many Dares each POD has completed. Your goal as a pod is to get 500 dares!! That means that if everyone in your pod does four dares next week, you will meet your goal with no problem! If your pod reaches its goal, donuts for everyone!

Our goal as a school is to do 5,000 dares next week! If the school goal is reached, each grade level will have the opportunity to "Pie the Principal" during lunch!

We will start counting Character Dares on Monday, and you have until Friday to reach your goals. We are excited to see you all going out of your way to do things that are kind and encouraging for others!
