To Members of the SDMA School Board and Mr. Zydowsky,

I am writing to ask you to please follow the guidelines created by experts (CDC and the American Academy of Pediatrics) and require masks for at least those students in 4K-6 because they are currently ineligible for the vaccine. Some have framed this as a parental choice situation. As of this time, I do not have the choice to vaccinate my 10 year old. The only safe choice available is to have all students in these classrooms wear masks.

Please base your decisions on the available facts.

For those who don't feel comfortable following the guidelines of experts, they have the choice to sign up for WVS.

Thank you for looking out for the health and safety of all students,
Christine Woodward
