

"Dedicated to preparing ALL students to become lifelong learners, caring individuals, and responsible citizens."

February Highlight on Youth

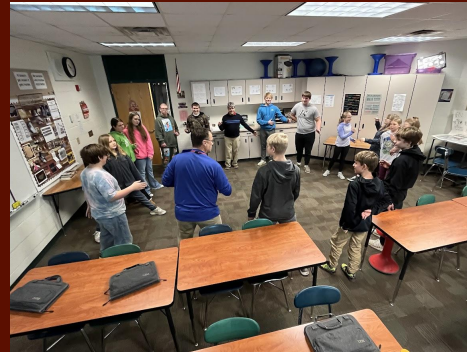

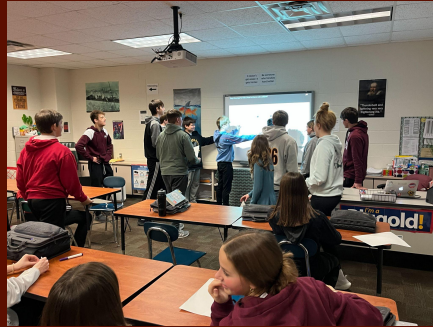

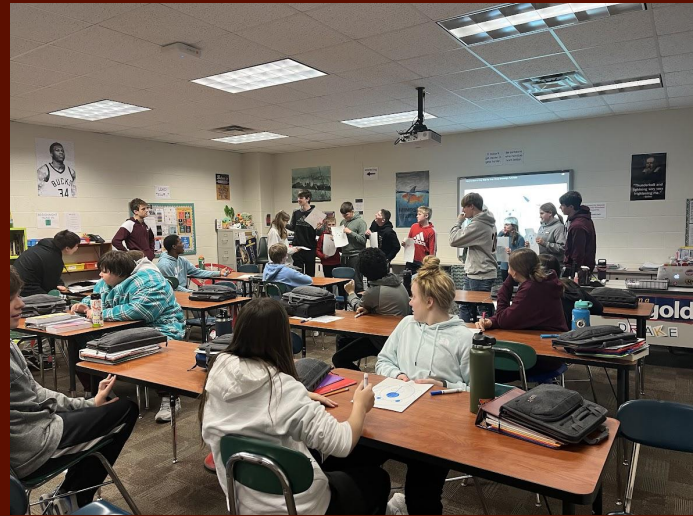

Menomonie High School

- MHS Mustang Leadership and Unified Peer Partners competed in a basketball game during Cabin Fever Week.
- The MHS Science Olympiad Team continues their successful season with a win at the UW-River Falls Invite.
- The MHS Varsity Dance Team won the Big River Conference Hip Hop category while the MHS JV Dance Team was overall Conference Champions.
- The MHS and MMS Bands provided a great atmosphere at Menomonie High Gym before at recent basketball game.
- Mustang Preview Night was held for our current 8th Grade Families to learn more about what academic and co-curricular activities MHS has to offer as these students prepare for their 9th grade year.

Menomonie Middle School

High school students taught leadership and high school readiness skills to our 8th grade students in their LEAD classes.

Downsville Elementary School

Kindergarten performed reader's theater of The Mitten by Jan Brett.

The skating rink is open! All hands are on deck helping tie skates before heading out. The students use the chairs for balance if they need to. We're grateful to the Downsville Sportsman's Club and PTC for purchasing about 15 new pairs of skates last year.

Knapp Elementary School

Students have been enjoying playing on the snow hills, sledding, and painting the snow during recess!

Students participating in AIM (Arts Integration Menomonie) used legos to build the settings for their writings.

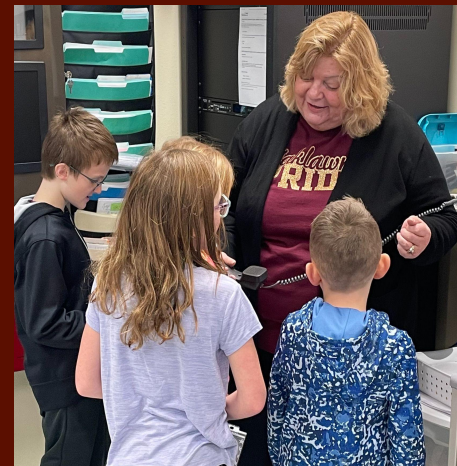

Oaklawn Elementary School

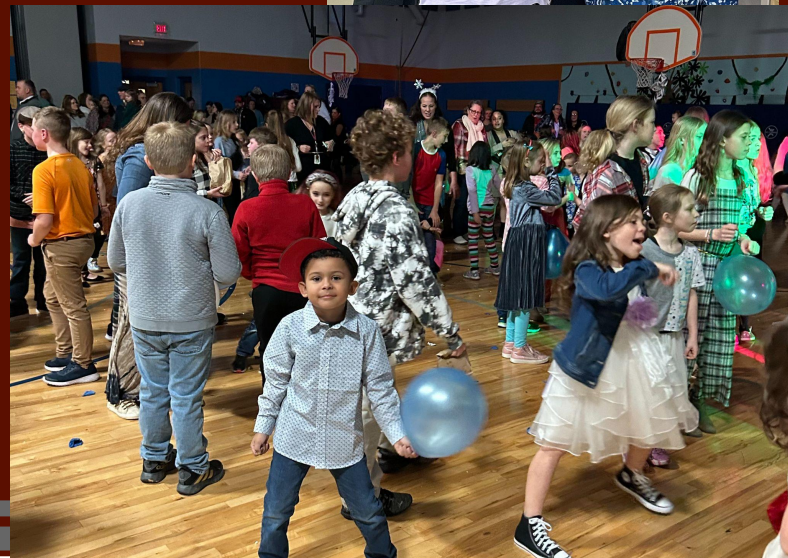

Excited third graders from each classroom take their turn leading the daily Pledge of Allegiance over the PA system

Top 3 Sellers for PTO's fundraiser received certificates of appreciation

Students having fun at the PTO Family Snowflake Dance

River Heights Elementary School

We continue to focus on student behavior at River Heights, and recognizing students for doing an exceptional job of being respectful, responsible, and safe.

Nicole Cook from AIM also joined our 3rd grade classrooms to work on Lego STEAM kits!

Wakanda Elementary School

Our Fifth Grade hosted their National Park Ranger Night and Chili Dinner Fundraiser. Each student engaged in a public speaking opportunity in which they shared information about their National Park.
