Hello Mr. Zydowski,

I am contacting you to advocate for the student athletes that have earned the opportunity to compete at the state swimming and diving meet this weekend and for them to have use of the pool to practice.

It is my understanding that the reason for a change to distance learning was in response to ill teachers :(I cannot see how this would affect student athletes competing at state. We have healthy coaches and athletes ready to compete.

Bruce and I intend to drive Melody to the meet ourselves limiting contact, rather than a bus or van situation.

It would be a great relief to athletes and parents to know that our daughter's years of hard work, and high levels of achievement will result in their being able to attend this important meet.

Jill Greenwood.
