To: "jamie\_krista@msd.k12.wi.us" <jamie\_krista@msd.k12.wi.us>

To whom it may concern,

If it is not safe to continue to hold school in person, then it isn't safe for sports to continue. It sets a very bad example that we as a district, prioritize sports over education. I have high school athletes that live to play sports; even they don't think it's safe, especially the winter ones coming up. I urge you to cancel athletics to help curb the spread of Covid in our community.
