FROM: Morgan Gerk, Director

SUBJECT: Rescheduling of Annual Site Inspection Dates

DATE: July 2, 2020

At the June 2, 2020 meeting of the Solid Waste & Recycling Management Board, the board motioned to postpone the annual site inspections previously scheduled for May 16, 2020. Site inspections are traditionally conducted on Saturdays so that board members can observe and interact with the attendants during their normal business operations.

The Solid Waste & Recycling Management Board is asked to determine a new date for the annual site inspections.
