

# SUMMER PROGRAMMING

School District of the Menomonie Area

---

June- August  
2020

# Summer Programming 2020

During the summer, we offered families the following programming...

- **Summer Virtual Academy** - 4-weeks of enrichment and remedial programming 5 days a week
- **Collaboration with Menomonie Parks and Rec-** face to face Advanced Weight Training and Run for Fun
- **School Orientation/ Meet & Greet**
- **Collaboration with UW-Stout-** 7 SDMA students participated in STEAM Experience.

# Credit Recovery

Students had the ability to revisit a number of different high school courses to recover credit prior to the start of the upcoming school year.

Algebra I

Algebra II

Geometry

Physical Science

English 1

English 2

English 3

Intro to Social Studies

Biology

Special Ed/Alt Ed

**65 high school students recovered credits**

**during Summer School!**

# Online Courses for High School Students

Students had the ability to earn credit for several courses during the summer months. Providing online, summer learning allows students to enroll in more classes during the school year.

Health      Personal Fitness (PE)

AP Calculus I      Civics

Personal Financial Management

Certified Nursing Assistant (CNA)

AP Language & Composition

# Meet & Greet Days

## Freshmen Orientation

The Class of 2024 spent half a day at the high school to meet high school staff, walk through course schedule and familiarize themselves with lunch procedures and locker combinations.

## Middle School

532 students attended individual Orientation Day appointments with their CARES teacher and had the opportunity for their school picture to be taken.

# SNAPSHOTS
